

STANDARDIZED COMPETITIVE RULES

ARTICLE I - INTRODUCTION

The Underwater Society of America (USOA), hereafter referred to as the Society, is the United States National Governing Body for Underwater Sports. The Society is a charter member of CMAS, the World Underwater Federation, which is the International Governing Body, and a member of the United States Olympic Committee. The Society sanctions competition by US athletes at the local, state, regional, national and international levels in sports which including Skindiving Spearfishing, SCUBA Competitions, Underwater Hockey, Fin Swimming, Underwater Rugby, and Underwater Photography. Final authority and oversight of Society rests with its membership. Policy for Society activities is decided by the Board of Governors, which represents all Society member Councils and Clubs. Activities related to the competitions of the Society are governed by a Board of Directors, which is composed of the Elected Society Officers and Competition Directors. The Membership and Boards of Governors and Directors meet annually, but may also hold special meetings as provided for in the Society Bylaws. The daily operation of the Society rests with the Executive Committee.

ARTICLE II - COMPETITIVE DIRECTORS & COMMITTEES

Section 2.1 COMPETITIVE DIRECTORS - Each competitive sport governed by the Society shall have an elected Competitive Director (see USOA Bylaws). The elected Director shall appoint an Assistant Director and Secretary as soon as possible after election and communicate their names to the Society's office. The Society's elected Competitive Directors shall normally preside at all competitions governed by their committees. If the Competitive Director is unable to attend a Society sanctioned competition the Assistant Director shall preside at the competition. If neither will be available, the Competitive Director with the approval of the Executive Committee, shall designate a person to act as Director at the Competition.

Section 2.2 COMPETITIVE COMMITTEES - Each Society competitive sport shall have a Competitive Committee. The Competitive Committee shall adopt required rules specific to their competitive sport, which are not otherwise herein provided for or in conflict with these rules. Each active Society Council or Club shall receive one vote for each gender that has competed in a National Competition of that Committee's Society Sport in the previous five years. Committee members should be appointed prior to the Society's annual meetings. Committee members shall be appointed or reappointed annually, in writing, by the President of each Society Council or Club before they may participate on a Competitive Committee. Appointments shall be sent to the appropriate Competitive Director and to the Society's mailing address.

ARTICLE III - SOCIETY SANCTIONED COMPETITION

Proposals for Society sanctioned competitions (five copies) shall be submitted to the appropriate Competitive Director, with one copy to the Society's mailing address, as early in the competitive year as possible. The Competitive Director, with approval of the Executive Committee, may approve such proposals which are in the best interest of the Society. Proposals for National competitions must in addition to the following meet the requirements of section 7. A proposal for a Society sanctioned competition shall address the following:

- a. The date(s), times(s) and location(s) of the competition and its individual events, required meetings, awards presentations, etc. The location of the competition's headquarters and the date, time and place of the Competitors' Briefing shall be included in the proposal.
- b. The entry deadline shall be specified. It shall not be more than three weeks prior to the competition, and must be completed no later than one hour prior to the Competitors' Briefing.

Section 7.1.1 PRIORITY REGIONS - In order to distribute the National Competitions among the regions, priority regions are established for each competitive sport's National. For 1992 the starting priority regions will be as follows:

- SCUBA & PHOTO - Southeast
- SKINDIVING - Northwest
- FIN SWIMMING - Northeast
- U/W RUGBY - Southwest
- U/W HOCKEY - Inland

The priority order will not be altered regardless of a sports previous National site, except that no region shall be allowed to sponsor the same National two years in a row if any other region wishes to sponsor it.

Section 7.2 ELIGIBILITY - An active Society Council or Club may submit a proposal and be awarded a National Competition. Each Competitive Committee may include other eligibility requirements in their Rules.

Section 7.3 PROPOSAL SUBMISSION - By February 1st of each year, the Society Secretary shall notify the Regional Vice Presidents and each Society Council and Club of the priority region for each National to be held in the coming year, and of their eligibility to submit a competition proposal. Proposals shall be submitted to the appropriate Competition Director, with a copy to the Society's mailing address. If an acceptable proposal (see section 7.5) from the priority area is not received by April 1st, or if no Council or Club within the priority area is eligible to make a proposal, all Society Councils and Clubs will have until July 1st to submit a competition proposal. If an acceptable proposal is not received by July 1st, then the Competitive Director, acting with the approval of the majority of the Executive Committee, shall have the authority to waive such proposal requirements as necessary to acquire an acceptable proposal. No waivers shall be granted until this time.

Section 7.4 PROPOSAL SELECTION - If more than one acceptable proposal is received or if any proposal is of questionable nature, then the Competitive Committee shall examine all proposals and, within 45 days, vote to determine who shall host the National. When voting on the location of the National Competition, the Competitive Committee shall base their decision upon the best interests of the Society, these rules, and fairness to the competitors. Within fourteen days of selection, and no later than the Society's Annual Meetings, the appropriate Competitive Director shall distribute a copy of the selected proposal to all Regional Vice Presidents and to all Society Councils and Clubs.

Section 7.5 NATIONAL COMPETITION PROPOSAL REQUIREMENTS - In addition to the requirements for a Society Sanctioned Competition Proposal (see article III and IV), an acceptable proposal for a National shall address the following additional requirements:

- a. A detailed list of awards and prizes to be presented, including the required Society championship awards.

- b. A performance deposit check, made out to the Society, for a minimum of either twenty-five percent (25%) of the expected cost of the National or \$250.00 whichever is more. This check will be deposited to the Society accounts until either the proposal is rejected or the selected Council or Clubs National is completed and all records and reports submitted as required.
- c. Twenty-five copies of the each proposal are to be submitted to the Competitive Director by the proposing Council or Club. One copy shall be sent to the Society mailing address along with the required deposit check.

Section 7.6 CHANGES TO NATIONAL COMPETITION PROPOSALS - The Society discourages changes to National Competition proposals. When changes are required, the following procedures shall be followed:

- a. Prior to 60 days before the Competitor's Briefing, the Host Council or Club shall submit a written request detailing the required changes and the justification for the changes to each member of the appropriate Society Competitive Committee and the Society Executive Committee. Each Competitive Committee member shall, within 30 days, notify the Society Competitive Director of their vote on the changes. An 80% vote is required to approve a change in a National Competition proposal. The Society Competitive Director shall within 15 days of the vote, notify the Host Council or Club and the Executive Committee of the decision on the changes. The Host Council or Club shall notify all Society Councils and Clubs and any registered competitors of the approved changes.
- b. Within 60 days of the Competitor's Briefing, only emergency changes shall be considered. Emergency changes, preferably in writing, shall be proposed to and approved by an 80% vote of the Society Competitive Committee Members and Executive Committee Members present at the Competition. All competitors participating in the competition shall be notified of the approved changes.

ARTICLE VIII - NATIONAL COMPETITION AWARDS

The award winners for each National shall be determined as stated in each set of the Society's Sports Rules. Announcement of first, second, and third place shall be made at the awards presentation. Where an official Society Award exist, it shall be obtained from the Society and presented for first, second, and third places, unless there are fewer than three teams participating in a given event and division, in which case there will be one less place given than the number of teams participating. First place will be given regardless of the number of entrants, as long as at least one eligible entrant completes the event. All competitors, alternates, and officials shall receive one Society championship patch. Teams shall assume their titles 30 days following the National and shall retain their until 30 days following the next National for their sport. Various other awards may be presented as approved in the Competition's proposal.

ARTICLE IX - PENALTIES

Upon completion of the post competition requirements, to the satisfaction of the Competitive Director and the Society Treasurer, any competition proposal performance deposit money shall be refunded. If a competition proposal is not fully executed or requirements of the sanction are not fulfilled part or all of the deposit may be kept as a penalty. The Competition Director with the approval of the Executive Committee shall, determine the amount of any penalty.

ARTICLE X - ALL AMERICAN UNDERWATER SPORTS TEAM

Each Society sport's All American Underwater Sport Team shall consist of the first place team and/or individual in each event plus the top two overall individuals where individual placements are given at each sports National Competition. Announcement of selection to the sport's All American Underwater Sport Team shall be made during the National's awards presentations. Together, these individual All American Underwater Sport Teams will comprise the Society's ALL AMERICAN UNDERWATER SPORTS TEAM.

ARTICLE XI - UNDERWATER ATHLETES OF THE YEAR

Annually, each Competitive Committee/Director shall determine, for their sport, one male and one female nominee for Underwater Athlete of the Year. Each Competitive Committee's Rules shall establish a procedure for selection of that sport's Underwater Athlete of the Year. The nomination shall be made on the Society's Underwater Athlete of the Year Nomination Form and shall include a one page biography, a picture (preferably an 8x10 action shot), and any other supporting material. It shall be sent to each member of the Executive Committee no later than October 1st. If no nomination is received from one or more of the Society's Competitive Committees by the deadline, the Executive Committee may submit its own nominations. From these submissions, the Executive Committee shall select one male and one female to be the Society's Underwater Athletes of the Year. The selection shall be based primarily on athletic performance with consideration given to other contributions to the sport and the Society.

ARTICLE XII - INTERNATIONAL TEAM SELECTION

Each Competitive Committee's Rules shall establish a procedure for selection of that sport's International Team.

ARTICLE XIII - COMPETITIVE COMMITTEE RULE CHANGES

While the Board of Governors and Membership have the authority to change the Rules adopted by each Competitive Committee, the process shall normally be as follows:

- a. Proposed changes shall be submitted to the Competitive Director, with a copy to the Society's mailing address, at least 60 days prior to the National.
- b. The Competitive Director shall provide notice of all such proposals, other agenda items, and the date, time and location of the Competitive Committee meeting to all members of the Competitive Committee at least 30 days prior to the National.
- c. At the National, on the day, time and place as designated in the Competitive Committees rules and/or meeting notice, the Competitive Committee shall meet and make recommendations concerning the proposed changes for final action by the Board of Governors. The host Council or Club shall make the necessary arrangements for the meeting
- d. Each member of the Competitive Committee shall be allowed one vote.
- e. A simple majority of the Competitive Committee is needed to pass any agenda item.
- f. A four-fifths majority is required to pass any item not on the agenda.
- g. Written proxies from either appointed committee members or a Council or Club President may be voted at a Competitive Committee meeting. (NOTE: Anyone may sit in and express opinions at these meetings.)
- h. Rule changes may be voted via a mail vote by the Competitive Committee.
- i. No rule change shall be official until acted upon and approved by the Board of Governors at their next annual meeting, unless advance approval of the change was granted at the previous Board of Governors' meeting.
- j. If immediate Board of Governors' approval is required, the Competitive Director shall, within 10 days of their approval, forward to the Society Board of Governors a copy of the rule or rules requiring action along with a ballot to be returned to the Society Secretary within 45 days of receipt. The Society Secretary shall within 10 days of ballot closing, notify the Board of Governors of the result of the vote.

ARTICLE XIV - AMENDMENTS TO THE STANDARDIZED COMPETITIVE RULES

The Society's Standardized Competitive Rules shall be treated as the Bylaws of the Board of Directors. They may be amended as part of the normal business of the Board of Governors and/or Membership meetings.
